Herb Ohta Jr and Worth Creation Collaborated

Worth Strings x Herb Ohta, Jr. MODEL

Herb Ohta Jr. has been using Worth Strings more than ten years.
He selected his best gauge set.
We released it as <Clear Ohta Jr, code:COJ>.

Message from Herb Ohta Jr.

*I've been using Worth Strings for the past 10 years.
What I love about Worth Strings is their tonal
quality and sustain. I find it easier on my fingers.
This COJ set is my personal preference. Every
'ukulele and every musician is different, but in my
40 plus years playing the 'ukulele, the COJ set by
Worth Strings are the best for me!*
