Herb Ohta Jr and Worth Creation Collaborated Worth Strings x Herb Ohta, Jr.

Herb Ohta Jr.'s Worth Strings, COJ is renewal.

The 1st gauge became 0.0244' / 0.62mm from 0.0224' / 0.57mm. It is one size up. The result, the sound became the milder and warmer than before.

Message from Herb Ohta Jr.

"The thicker 1st string has a warmer tone, but still has Worth's distinct tonal and sustain quality."
